

Hardware Equality Declaration

We, Option nv, declare on our sole responsibility the product

Model Name: GE0421
Commercial Name: *GT EXPRESS 401*

Is in all aspects the same as

Model Name: GE0401
Commercial Name: *GT EXPRESS 421*

Except for:

- GE0401 has 4 FDD bands (FDD1, FDD2, FDD4 and FDD8), while GE0421 only has 3 FDD bands (FDD1, FDD2, FDD8). This is achieved by simply understuffing of the FDD4 components.
- The LEDs have different positions on both cards.
- GE0421 uses different plastics than GE0401.
