## Office of Engineering and Technology

### **Inquiry:**

Dear FCC, please check the following SAR report due to the fact, that this device is a 3GPP Release 6 device with SAR which is subject to a PBA inquiry. If you have any questions, feel free to contact me. I would like to thank you in advance for your efforts.

### **Response:**

As of today, November 10, 2009, Release 6 HSPA is no longer on the Permit But Ask (PBA) list. Permission through the KDB system for Release 6 HSPA is no longer required. The new PBA list will be published this week.

Do not reply to this message. Please select the [Reply to an Inquiry Response](#) link from the OET Inquiry System to add any additional information pertaining to this inquiry.
