## Request for Class II Permissive Change

**Ref: FCC Class II permissive change for FCC ID: NCMOMO0491-I (Original grant date: 23 septembre 2009)**

**Applicant: Option NV**

Dear Sir/Madam,

Option NV is submitting an application for a Class II Permissive Change to our Mini-PCle wireless WAN card, model MO0491 (FCC-ID: NCMOMO0491-I). This product was initially certified by the Commission on Septembre 23, 2009 under the FCC ID: NCMOMO0491-I.

There is no hardware or electrical modification made to the applying modular transmitter itself.

The change filed under this application is adding E-reader model DR800SG. There is no other transmitter integrated in this model so collocation is not applicable.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

**Company :**
