

**Label Here**

Model No: SAGA1-P10  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P6  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P10-1  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P6-1  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P8  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P4  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P8-1  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.

Model No: SAGA1-P4-1  
FCC ID: NCT12BP10 IC:2802A-12BP10  
This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.
