Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commission's rules, we hereby request that the following documents be held confidential until 45 days after the Grant of Equipment Authorization:

Short Term confidential Files:

- External Photos
- Test Setup Photos
- User Manual

The device is not accessible to the general public because it is mounted on the top, sides of buildings in a fenced enclosure and is only serviceable by the licensee or designated technicians. The consumer cannot service the device due to terms of use. These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

Permanent Confidential Files:

- Schematics
- Internal Photos
- Block diagram
- Operational Description

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.
