RE: Certification Applications

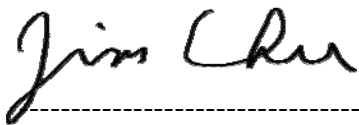

FCC ID: **NDPMD150M**
Model: MD-150M

We would like to apply for FCC **Limited Module** Certification on the subject model (EUT). The EUT is a **Mifare USB Reader**, a RFID device, which was built in a POS Terminal.

We have uploaded the related document for the EUT onto your website. Please review the information we submitted and issue us a grant for the subject model. If you have any comments, please do not hesitate to contact us.

Thank you for your attention to these matters.

Sincerely,

Jim Chu/ Director
International Standards Laboratory

RE: Certification Applications

FCC ID: **NDPMD150M**

Model: MD-150M

The following label information is required by the FCC Rules and Regulations for certified devices. Please find marketing information required by the FCC Rules and Regulations as following:

Label Requirements

An intentional radiator device subject to certification by the FCC shall carry a warning label which includes the following statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The sample label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase.

FCC ID: NDPMD150M
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Sincerely,

A handwritten signature in black ink that reads 'Jim Chu'. Below the signature is a dashed horizontal line.
