### **Declaration of Similarity**

Ladies and gentlemen,

We, Robert Bosch GmbH, with address Daimlerstrasse 6, 71229 Leonberg, Germany, declare that both connector variants of our product, brand BOSCH, model F5CP12 are electrically identical.

The model F5CP12 has two connector variants:

1. variant 0203.3BB.069-01; with housing P/N: 1275.101.969 (connector on the back of the sensor)
2. variant 0203.3BB.070-01; with housing P/N: 1275.101.968 (connector on the side of the sensor)

Difference between the 0203.3BB.069-01 and 0203.3BB.070-01 is only mechanical direction of the connector. All other components are identical.

If you need any further information, please feel free to contact us.

Yours sincerely

Robert Bloch  
RF certification engineer
