Gentlemen:

Filed herewith on behalf of Robert Bosch GmbH, Schwieberdingen, Germany is an application for a field disturbance sensor, FCC ID: NF3ACC-SCU used as a vehicle radar system. This system operates in the band 76 – 77 GHz and is used to measure the closing rate between two vehicles for the purpose of warning the driver of the potential for a collision.

If there are any questions, please do not hesitate to contact me at the address above or via telephone at (410) 531-3439.

Sincerely,

Phillip M. Inglis
Consultant
