Re: Load & A2B Application
FRN 0008794406

To Whom It May Concern;

We are submitting our LMI Display Panel for Part 15 acceptance. Please assign to it the FCC ID: NFBLAB110.

We designate the Electronics Test Center test lab in Airdrie Alberta Canada to act as our agent in filing this application.

We have previously acquired approval on similar devices under NFBLAB737 and NFBLAB939.
