CAUTION: Caution against hearing damage. Avoid continuous headphones-use at high volume. It may cause hearing loss. Check the volume setting on devices to be connected before connecting the headphones. Using the wireless connection close to microwaves or other wireless devices may affect quality of the wireless connection.

FOR YOUR SAFETY: In case the headphones irritate your skin, stop use immediately and visit a doctor.

NOTES ON USE: Refer also to the manuals supplied with the devices to be connected. Do not use or disassemble the headphones in the case of a malfunction. Clean the headphones with a soft dry cloth. Do not expose the headphones to direct sunlight, dirt, heat or moisture.

ETIQUETTE: Do not use the headphones at excessively high volume in public. Noise leaks from the headphones.

WARRANTY POLICY: These headphones are covered by a limited warranty for one year from the date of purchase. In the unlikely event of failure due to defective materials or workmanship, VIE SHAIR will repair or replace them at no charge. Please visit our website for full details.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTICE : DO NOT MODIFY THIS UNIT!

This product, when installed as indicated in the instructions contained in this manual, meets FCC requirements. Modification not expressly approved by VIE SHAIR may void your authority, granted by the FCC, to use the product.

IMPORTANT: When connecting this product to accessories and/or another product use only high quality shielded cables. Cable/s supplied with this product MUST be used. Follow all installation instructions. Failure to follow instructions could void your FCC authorization to use this product in the USA.

NOTE: This product has been tested and founds to comply with the requirements listed in FCC Regulations, Part 15 for class "B" digital devices. Compliance with these requirements provides a reasonable level of assurance that your use of this product in a residential environment will not result in harmful interference with other electronic devices. This equipment generates/uses radio frequencies and, if not installed and used according to the instructions found in the users manual, may cause interference harmful to the operation of other electronic devices.

Compliance with FCC regulations does not guarantee that interference will not occur in all installations. If this product is found to be the source of interference, which can be determined by turning the unit "OFF" and "ON", please try to eliminate the problem by using one of the following measures: Relocate either this product or the device that is being affected by the interference. Utilize power outlets that are on different branch (circuit breaker or fuse) circuits or install AC line filter/s. In the case of radio or TV interference, relocate/reorient the antenna. If the antenna lead-in is 300 ohm ribbon lead, change the lead-in to co-axial type cable.

If these corrective measures do not produce satisfactory results, please contact the local retailer authorized to distribute this type of product. If you can not locate the appropriate retailer, please contact VIE SHAIR, <http://vie.style/support/>. The above statements apply ONLY to those products distributed by VIE STYLE or its subsidiaries.
