Ms Elliott:

Per your email request, I am providing the following information:

Full Name: Safety Solution (USA)
Address: 1129 Stafford Drive, Cupertino, CA 95014
Tel: 408-517-0800
Fax: 408-517-0900
Email: SafetySoln@aol.com
Purpose: Follow up on the progress of the FCC application; Inform Powertech of any new items or information that FCC needs on this application; Visit FCC if necessary.

Pls let me know if you have received Powertech's authorization. Also, pls let me know if you have started the technical review and when this application can be done.

Thanks.

David Woo
