Evaluation of Toyota TMLF-3
FCC id: NI4TMLF-3

I have assessed the above referenced submission for the Toyota TMLF-3 low power transmitter and found it to be compliant.

The following were noted and resolved during the evaluation.

1: Covering Letters

The application was originally addressed to the TUV AM TCB but this has been redirected to BABT TCB. Following communication from TUV AM, BABT have agreed to construe all references to the TCB functions of TUV America Inc as references to the TCB functions of BABT.

Yours sincerely
