RE: CONFIDENTIALITY REQUEST FOR EUT T2490 video transmitter/NIMT2490

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459.

We have requested that the following be kept in confidentiality in our filing to the FCC.

ALL SCHEMATICS
ALL PARTS LISTS
ALL BILL OF MATERIALS

This is a proprietary design which is not currently being implemented in any existing equipment of a similar nature. Due to the global demand of wireless transmission of all forms of data this type of equipment is highly sought after in a very competitive market. It is of a very sensitive nature and disseminating any technical information regarding this design would be detrimental to it's commercial value.

Please contact me if there is any information you may need.

Sincerely,

Signed and dated by the Company Representative

Dated this 23 day of May 2003
