Model	LAS11LC, LBR14LC
FCC ID	NIRLAS11LC
Agent	Leo Kogan
Approval Type	Original
Equipment Class	DTS Digital Transmission System
Rule Part	unlicensed 15.247

Overview

FCC ID NIRLAS11LC applies to two models of remote-controlled LED lamps. Models LAS11LC and LBR14LC contain exactly the same radio and the same circuit board. The models differ only in the number of LEDs contained in the lamps. The radio is a 802.15.4 compliant radio operating in the 2.4 GHz band under rule part 15.247.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Short term confidentiality requested.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
