Sirs:

CSI-Wireless gives Intertek the authority to submit Reference AL-020-00040, Model AL200 to the F.C.C. in the U.S.A. for approval under FCC Part 15 and FCC Part 22 as NJIAL200. This product is referred to as the "AssetLink 200" for marketing purposes.

For CSI-Wireless,

Walter Feller, Vice President R&D.
