Federal Communications Commission  
Equipment Authorization Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

Ref.: Westhold Corporation TX3-9V Race Management System Transmitter,  
FCC ID: NKBTX3-9V

This notice is intended to clarify information provided in the 731 Form for the above referenced device. While the transmitter is a “composite device” and requires a receiver for normal operation, this receiver will be approved via the FCC’s Declaration of Conformity procedures. For this reason, the 731 Form indicates that the unit is not a composite device requiring more than one type of equipment authorization, and no additional equipment authorizations will be requested at this time. Thank you and please contact me with any questions.

Sincerely,

Andrew Smith  
Project Coordinator
