Date: February 24, 2014

Subject: Ad Hoc Mode Function Declaration
FCC ID: NKR-DHUB81

To Whom it may concern,

We, **Wistron NeWeb Corporation** declare that the device does not support any non-US channels, country code selection in all the operational mode(s), like Ad-Hoc…etc. for the following product. Also, the client software and associated drivers will not initiate any transmission on DFS frequencies without initiation by a master and the device without support DFS detection capability. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.

Regards,
