Request for Change in FCC ID

Date: 31/10/2024

Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Rd.
Columbia MD 21046

To whom it may concern:

We,

Wistron NeWeb Corporation
20 Park Avenue II Hsinchu Science Park
308 Hsinchu, Taiwan

hereby request for a **Change of Identification** as established by the FCC rules Part 2.933 of Title 47 of the Code of Federal Regulations.

This application from us, **Wistron NeWeb Corporation**, will establish a new **FCC ID: NKR-DLSSWI01** based on **FCC ID: 2AAGMGM02SA** from **Sequans Communications**.

The original grant from **Sequans Communications** will remain in effect.

An authorization letter from **Sequans Communications** is attached.

The original identification is,

- **FCC ID: 2AAGMGM02SA** for which the original grant date is April 16th 2021

After that date, Sequans submitted two Class 2 Permissive Change requests on August 12th 2022 and May 9th 2024.

All those changes also apply to the module which will be marketed as Wistron NeWeb Corporation.

The equipment under our name will be the same and electrically identical as the original. Only the FCC ID number is different.

The new identification will be **FCC ID: NKR-DLSSWI01**

The original test results are applicable and representative.

Sincerely,

Peichun Hsieh
