

Top of the device

62.00±0.15 mm

52.00±0.15 mm

Label
location

A technical drawing showing the top view of a device. The device is represented by a large gray rectangle with a blue border. The width of the device is indicated by a dimension line at the top, labeled "62.00±0.15 mm". The height of the device is indicated by a dimension line on the left, labeled "52.00±0.15 mm". In the upper right corner of the gray rectangle, there is a smaller, light orange rectangle with a blue border, labeled "Label location". The text "Top of the device" is positioned above the width dimension line.
