Dear Tim

I've re-uploaded the revised operational description and RF Exposure without 2.5cm statement on 11/1.  
Would you please check it again?  
And both of bands won't transmitt simultaneously.  
I've asked our client to provide a new DoC and will upload to you as soon as I get it.  
Thanks.

Regards  
Emily

Emily,

I am issuing the grants in a few minutes. However there are 3 issues to address, please see the attachment. Please provide these as soon as possible.
