Attn: Director of Certification

Request for Class II Permissive Change - FCC

We request a Class II Permissive Change for Wistron equipment holding the FCC Identifier NKRCM9. This change does not represent any electrical change in the module but is requested in order to add antennas to the existing grant.

The antennas to be added are:

Model/Part No.	Frequency Range	Type	Gain
SF-D53N	5.3 - 5.8 GHz	Omni	5.5 dBi
C068-510330A	2.4, 5.3, and 5.8 GHz	Paddle	3 dBi - 2.4 GHz 4 dBi - 5 GHz
AM2407	2.4 GHz	Mag. Mount	7 dBi

Dated this 21st Day of December 20 05

Agency agreement expiration date: 28 February, 2006
