Dear Sir,

The labeling of our Stiletto 2 with FCC ID: NKRUWASL2 is attached permanently at the battery compartment due to limited space purpose. To prevent loose or destroy by end users, the label is better to locate at the place marked in red as below illustration.

We promise the FCC ID in the label to be viewable and legible at the time of the purchase and rule part as 2.925(d) will be pertinently complied with.

Best Regard,

Jacky Huang
