Re: Request for Confidentiality

Applicant: Computational Systems Incorporated

FCC ID: NL5-CSI2140M1

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Computational Systems Incorporated to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- ✓ **Schematics**
- ✓ **Detailed Block diagrams**
- ✓ **Detailed Operational/Functional Description**

Rationale for request for confidentiality:

Computational Systems Incorporated has invested considerable time and materials in research and development to produce the referenced product. [*Permanent confidentiality*: Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.]

If you have questions or need further information, please contact the undersigned.

Computational Systems, Incorporated is a wholly owned subsidiary of Emerson.
