Dear Helen:

Thank you for your e-mail, please see my belowing reply(951011).

And if still have any problems, please let me know, thank you.

Question #1: This device is an end product, is not seeking modular approval. Page 80 & 81 of the user manual indicates "This device is intended only for OEM integrators under the following conditions:...", which is not applicable. Please remove the statement.

Ans: Please find the updated file for User Manual (951011).
