ANO4T4440, Notice#1

Question #1: Section 12 of the test report shows MPE calculation. The device is a portable device, can be used within 20 cm distance. MPE calculation is not applicable. Please remove it from the test report.

Ans: Please find the attached for updated: UBTBR2\_Report(FRF)1231.

Question #2: No operational description found, please provide.

Ans: Please find the attached for UBTBR2\_Technical description.

Best Regards,  
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
