Subject: Request for Confidentiality

FCC ID: **NM8G011A**

To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 C.F.R. §§0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely.

- Operational Description
- Tune-up Procedure

The above mentioned document contains detailed system and equipment description that are considered proprietary information. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 C.F.R. §2.803 and the importation rules in 47 C.F.R. §2.1204, we request that the Commission grant short-term confidentiality to the following attachments until **180 days** after the grant date of the Equipment Authorizations. This will allow us to ensure that business sensitive information remains confidential until the actual marketing of the newly authorized devices.

◆ Test Setup Photos

It is our understanding that all measurement test reports, FCC ID label formats and correspondence during the certification review process cannot be granted confidential treatment and those documents will be available for public review once the grant of equipment authorization is issued.
