

Correspondence for answers

FCC ID: NM8KSJ

CR:35328 and 35329

EA669232

1) Recommended user instructions to support FCC RF exposure compliance for body-worn configurations as per OET 65 Supplement C were not found in user manual - please revise filing where appropriate

Ans: [Please check the file "080502\\_Kaiser\\_HTC\\_English\\_Manual\\_KAIS140\\_FCC.pdf"](#) , The page 256 was adding FCC RF exposure compliance for body-worn configurations as per OET 65 Supplement C.

2) If not in filing already, please explain procedures used to evaluate simultaneous-transmission SAR for part-22/24 + WLAN modes.

Ans: Please check the below files in the RF exposure

"ES200820001 HTC KAIS 140 SAR REPORT\_for FCC certification Rev03\_1.pdf"
