

Correspondence for answers

FCC ID: NM8KSJ

CR: 35327, 35326, 35324 and 35323

EA931941

1) Recommended user instructions to support FCC RF exposure compliance for body-worn configurations as per OET 65 Supplement C were not found in user manual - please revise filing where appropriate

Ans: [Please check the file "080502_Kaiser_HTC_English_Manual_KAIS140_FCC.pdf"](#) , The page 256 was adding FCC RF exposure compliance for body-worn configurations as per OET 65 Supplement C.

2) If not in filing already, please explain procedures used to evaluate simultaneous-transmission SAR for part-22/24 + WLAN modes.

Ans: Please check the below files in the RF exposure
