List of Accessory:

| Specification of Accessory |                  |                                                    |
|----------------------------|------------------|----------------------------------------------------|
| Adapter                    | Brand Name       | Phihong                                            |
|                            | Model Name       | PSAI05R-050Q                                       |
|                            | Power Rating     | I/P: 100-240Vac, 50-60Hz, 0.3A;<br>O/P: 5Vdc, 1A   |
| USB Cable 1                | Brand Name       | MEC                                                |
|                            | Model Name       | DCU 200                                            |
|                            | Signal Line Type | 1.3 meter shielded cable without ferrite core      |
| USB Cable 2                | Brand Name       | ACON                                               |
|                            | Model Name       | DCU 200                                            |
|                            | Signal Line Type | 1.3 meter shielded cable without ferrite core      |
| Battery 1                  | Brand Name       | Welldone                                           |
|                            | Model Name       | RHOD160                                            |
|                            | Power Rating     | 3.7Vdc, 1500mAh, 5.55Whr                           |
|                            | Type             | Li-ion                                             |
| Battery 2                  | Brand Name       | Simple                                             |
|                            | Model Name       | RHOD160                                            |
|                            | Power Rating     | 3.7Vdc, 1500mAh, 5.55Whr                           |
|                            | Type             | Li-ion                                             |
| Battery 3                  | Brand Name       | Formosa                                            |
|                            | Model Name       | RHOD160                                            |
|                            | Power Rating     | 3.7Vdc, 1500mAh, 5.55Whr                           |
|                            | Type             | Li-ion                                             |
| Earphone 1                 | Brand Name       | Corton                                             |
|                            | Model Name       | HS S200                                            |
|                            | Signal Line Type | 1.75 meter non-shielded cable without ferrite core |
| Earphone 2                 | Brand Name       | Kingstate                                          |
|                            | Model Name       | HS S200                                            |
|                            | Signal Line Type | 1.7 meter non-shielded cable without ferrite core  |
| LCM 1                      | Brand Name       | Wintek                                             |
|                            | Model Name       | DF3224XO-6FLWa                                     |
| LCM 2                      | Brand Name       | LGI                                                |
|                            | Model Name       | IM240DBN9A                                         |
