

Request Letter for Supersede of Exhibits

Dated this 2008/10/27

FEDERAL COMMUNICATIONS COMMISSION
Authorization and Evaluation Division
7435 Oaklamd Mills Road
Columbia, MD 21046
U.S.A.

Dear Sir,

We just have NM8OPB granted, but unfortunately HTC Corporation is not satisfied with the label exhibit uploaded due to the external mechanical appearance shown on page 1, right hand side of label information. We may need your help to remove this exhibit from the database. Please advice when you are done and sorry for the trouble due to client's request.

If there are any questions, please contact me via the e-mail:

Alan.Lane@phoenix-testlab.de

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Alan Lane', with a long horizontal flourish extending to the right.

Alan Lane Phoenix Test Lab, Germany
