

Dear Sir,

Sorry for your trouble.

1. Client changed the address, so all the test report had been revised, please see page 1, 3 and page 1 of external photo.
2. According client's request, they added a earphone and USB cable, please see the page 4 for EUT description.
3. From client's viewpoint, the original photos of inside are not clear, therefore, please take pictures again.

Base on the reason as above, the test report and other exhibits were re-submitted on August 31, 2007.

Best Regards,

Amanda
