Re: Supersede request for FCC ID: **NM8PI39200**; Granted on **03/10/2011**

We regret to inform you that we have a typo of BT report. The page 5 of BT test report missed the signature. To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit test report.

Sincerely yours,

If you have any questions, feel free to contact us. Thank you.
