RE: Requests for Confidentiality
FCC ID: NMEAVTS1010

Dear FCC,

This Class II permissive change is to request confidentiality for items in an earlier submission.

Data Critical Corporation (an operating entity of GE Medical Systems Information Technologies) requests confidentiality per 47 CFR 0.459 of the Rules for NMEAVTS1010. The grant date for the submission was 10/16/2000, confirmation # EA98248. Items to hold confidential are referenced below as they appear on the FCC OET website.

<u>Exhibit Type</u>	<u>Description of Exhibit</u>
Parts List/Tune Up Info	Circuit Description and Tuneup Procedure

All items held confidential in earlier submissions (schematics, functional block diagrams, theory of operation document, and bill of materials per request dated 7/17/2000) should continue to be held in confidence.

Please contact me if you have any questions or concerns.

Sincerely,

Christine Ruther
