Weekday display

Symbol	Description
	Low battery indicator
	Aroma diffusing indicator
	Bluetooth icon
	External power supply
	Alarm indicator

## GETTING STARTED

### INSERT AROMA CAPSULES

There are 2 Aroma slots (left and right) on the two sides of the unit.

Remove the cover of the Aroma slot, insert an aroma capsule, and then replace the cover.

## INSTALL BATTERY

1. Screw off the battery compartment cover.
2. Insert a new CR2032 3 V battery, positive (+) side up, and replace the battery compartment cover.
3. Press **RESET**.

### NOTE

- The battery is only for back-up use. Always connect the unit to the power grid source via power adapter.
- Keep button-cell battery away from children. Swallowing a button-cell battery can be fatal.
- Replace the battery when displays.

## CONNECT POWER ADAPTER

Connect the supplied Micro USB power adapter to the Micro USB jack on the rear of the unit and plug into a standard outlet.

### NOTE

- Make sure the adapter is not obstructed and is easily accessible to the unit.
- To completely disconnect from power, unplug adapter from the mains.

## DOWNLOAD APP

Search **Senses Aroma Clock** to find the App to download on your smart device. The App is available on both Apple App Store and Google Play store.

OR

Scan the following QR code.

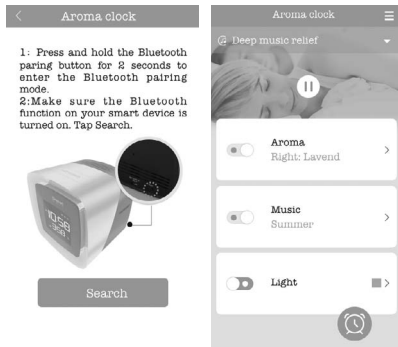

## SYSTEM REQUIREMENTS

## PRECAUTIONS

- Use only fresh battery of the required size and type.
- Do not dispose old batteries as unsorted municipal waste. Collection of such waste separately for special treatment is necessary.
- If you do not plan to use the unit for a long time, remove the battery. Battery can leak chemicals that can damage electronic parts.
- Do not subject the device to excessive force, shock, dust, temperature or humidity.
- Do not immerse the device in water. If you spill liquid over it, dry it immediately with a soft, lint-free cloth.

- Do not clean the device with abrasive or corrosive materials.
- Do not tamper with the device's internal components. Doing so invalidates the warranty.
- Images shown in this manual may differ from the actual display.
- When disposing of this product, ensure it is collected separately for special treatment.
- The contents of this manual may not be reproduced without the permission of the manufacturer.
- The technical specification

**NOTE** The technical specifications for this product and the contents of the user manual are subject to change without notice.

**NOTE** Features and accessories will not be available in all countries. For more information, please contact your local retailer. To download an electronic version of the user manual, please visit <http://global.oregonscientific.com/customerSupport.php>.

COUNTRIES RED APPROVED COMPLIED

All EU countries, Switzerland   
and Norway 

## FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

**Warning:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a

circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio / TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment .

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with minimum distance 20cm between the radiator &you body.

## DISPOSAL INFORMATION FOR USER

Pursuant to and in accordance with Article 14 of the Directive 2012/19/EU of the European Parliament on waste electrical and electronic equipment (WEEE), and pursuant to and in accordance with Article 20 of the

Directive 2013/56/EU of the European Parliament on batteries and accumulators and waste batteries.

The barred symbol of the rubbish bin shown on the equipment indicates that, at the end of its useful life, the product must be collected separately from other waste.

Please note that the batteries/rechargeable batteries must be removed from the equipment before it is given as waste. To remove the batteries/accumulators refer to the specifications in the user manual. Therefore, any products that have reached the end of their useful life must be given to waste disposal centers specializing in separate collection of waste electrical and electronic equipment, or given back to the dealer when purchasing a new WEEE, pursuant to and in accordance with Article 14 as implemented in the country.

The adequate separate collection for the subsequent start-up of the equipment sent to be recycled, treated and disposal of in an environmentally compatible way contributes to preventing possible negative effects on the environment and health and optimizes the

recycling and reuse of components making up the apparatus.

Abusive disposal of the product by the user involves application of the administrative sanctions according to the laws in force.
