

Declaration of Confirmation Letter

We, IDT (Company name) certify

Between the product:

Product Name: BLE Weight Scale

Model Number: BW121

and the product:

Product Name: BLE Weight Scale (Fitbug)

Model Number: BW128

and the product:

Product Name: BLE Weight Scale (Tunstall)

Model Number: BW129

There are identical as following:

Printed Circuit Board (PCB)

Hardware

Enclosure

Internal structure

There is Software changes as following:

BW121 – Original model

BW128: Same as BW121 in software

BW129: Additional function on the software as:

- Send out the battery level (in %) through BLE
- Send out the current and after zero calibration of the measurement
- Unit selection (kg/lbs) through BLE interface
- Consistency level between measurement reduce to 0.1kg
- Calibration animation during the installation of battery (30 seconds)

There are no RF parameter changes to the operating frequency band, radiated and conducted output power of the device or any grant parameter including EMC, and RF exposure.
