RE: CONFIDENTIALITY REQUEST FOR HBC-RADIOMATIC'S APPLICATION FOR GRANT OF
EQUIPMENT AUTHORIZATION

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematic diagrams required to be submitted with this application be withheld from public review. Due to the competitive nature of our industry, a public viewing of these schematics could allow our competitors an unfair advantage in illegally reproducing our technology.

Please contact me if there is any information you may need.

Sincerely,

Jason F. Looman
