| Certification Document | TC190 Marking, label | HBC |
|-------------------------------|---------------------------------|------------|

1. Product label content, FCC

The following content will be on the product label for the certifications.

The type of marking can be different, by adhesive sticker or by another way that the marking is readable.

1.1. FCC

| | |
|------------------------|---|
| FCC ID | NO9TC190 |
| Example Label sample | <div style="border: 1px solid black; padding: 5px; width: fit-content;"> FCC ID NO9TC190 </div> |
| Example Label location | <p>The image shows a green printed circuit board (PCB) with various components and labels. A white rectangular label with the text 'FCC ID NO9TC190' is placed on the board. A white circle with an arrow points to the label's location. Other labels on the board include 'Monitoring', 'TP3', 'TP4', 'SWD', 'SWCLK', 'SWO', 'NJRST', 'TX', 'SCL', 'SDA', and '33-0025A'.</p> |
