Crailsheim, 2016-12-21

Brand name: HBC-radiomatic GmbH
Model name: TC64327
FCC ID: NO9TC64327

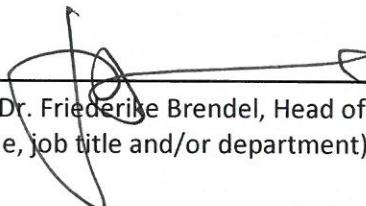

To Whom It May Concern:

We, HBC-radiomatic GmbH (Grantee Code NO9), hereby declare, that this modular approved transmitter will exclusively be integrated into our own host devices.

The RF Module itself will not be sold on the free market and cannot be installed in other than our own host devices.

Thank you for your attention to this matter.

Signature:
