Dear Mike,

Sorry for above application. I had replied it for a more than 3 weeks via CCS Web site, I think it is just in case of no receipt. In reference to the operation frequencies, sorry for our omission. The correct frequencies are as follows:

CH1	2410 MHz
CH2	2430MHz
CH3	2450MHz
CH4	2470MHz

If you have any further questions, please inform me.
