

Dataradio COR Ltd
Waseca, Minnesota

Dataradio COR Ltd hereby requests that our grant for NP4-5018500 list frequencies outside of the FCC allocated Part 90 frequencies per FCC 2.807. The reason for this request is that Dataradio COR Ltd has United States government and military customers that require use of these frequencies.

A handwritten signature in black ink, appearing to read "Chris Ludwig". The signature is fluid and cursive, with the first name "Chris" and last name "Ludwig" clearly distinguishable.

Chris Ludwig
Director of Engineering
