

Two data tables are visible on the desk, likely used for recording measurement results. The top table has columns for Frequency, Amplitude, and other parameters. The bottom table is similar but with different column headers.

Frequency	Amplitude	Phase	Marker
100.000	0.000	0.000	1
100.001	0.000	0.000	2
100.002	0.000	0.000	3
100.003	0.000	0.000	4
100.004	0.000	0.000	5
100.005	0.000	0.000	6
100.006	0.000	0.000	7
100.007	0.000	0.000	8
100.008	0.000	0.000	9
100.009	0.000	0.000	10

Frequency	Amplitude	Phase	Marker
100.000	0.000	0.000	1
100.001	0.000	0.000	2
100.002	0.000	0.000	3
100.003	0.000	0.000	4
100.004	0.000	0.000	5
100.005	0.000	0.000	6
100.006	0.000	0.000	7
100.007	0.000	0.000	8
100.008	0.000	0.000	9
100.009	0.000	0.000	10
