Samsung Telecommunications America, Inc.

To Whom It May Concern:

As per the email sent to Bette Taube on 4/26/00, please correct the Form 731 Application and Form 159 for Samsung Telecommunications America, Inc. The FCC Registration Number should have a **hyphen** after the NP8. On the Form 731 and the Form 159 it was listed as the NP8SCBS-319L and **it should have been listed as NP8-SCBS-319L**. Please correct the application with the above requested change.

The correct label information is already on file with the application, please refer to that for verification of the FCC Registration Number.

Please feel free to contact me with any questions you may have.

Thank you in advance for your cooperation with the above request.
