Request for withholding from public disclosure proprietary information submitted
Pursuant to an application for certification of a Cellular Handset Model MTD-3500
/ MTD-3510

FCC ID : NPQMTD-3500

Sir / Madam,

Telian Corporation requests that certain materials submitted with this application for certification of the Cellular Handset Model MTD-3500 / MTD-3510 be withheld from public disclosure.

- Circuit Diagram : Confidential
- Operation Description : Confidential
- Tune up Procedure : Confidential
- Part List : Confidential

The items marked "Confidential" as above contain detailed Cellular Handset Model MTD-3500 / MTD-3510, submitted to the FCC for review with this application. The information contains proprietary information (Trade secrets) regarding the circuit operation and capabilities (specific values of components, circuit design details and system architecture) which are the result of our extensive investment in research and development. Without the disclosed a workable competitive product. Therefore, we believe that disclosure of these company guarded materials would compromise our leading position in this market.

We therefore formally request that materials marked "Confidential" be kept strictly confidential and not made available for inspection by any other party, except on a need to know basis for the sole purpose of the certification process.

Sincerely yours,

A handwritten signature in black ink, appearing to read "DJ. Shin", is written over the typed name.
