**Request for Confidentiality Letter**

FEDERAL COMMUNICATIONS COMMISSION  
7435 Oakland Mills Road  
Columbia, MD 21046

Subject: Request for Confidentiality  
FCC ID: NQE-900DS  
To Whom It May Concern:

In accordance with § 0.459 of CFR 47, World Wireless Communications, Inc. requests confidentiality for the following items:

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams (Exhibit 5)

These items contain detailed system and equipment description and related information about the product which World Wireless Communications, Inc. considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, World Wireless Communications, Inc. also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Best Regards,

  
Richard L. Sawyer  
Product Engineer
