

Pet-immune, PIR+MW Dual  
Technology Detector  
**DUOGUARD**

Model: **DP-550P**

Power supply: 9~16 VDC

Current drain: 30mA, 12 VDC

FCC ID: **NR1GC171910**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including undesired operation.

**IR-TEC INTERNATIONAL LTD.**  
MADE IN TAIWAN

PIR+ Microwave Detector  
**DUOGUARD**

Model: **DP-550**

Power supply: 9~16 VDC

Current drain: 30mA, 12 VDC

FCC ID: **NR1GC171910**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including undesired operation.
