ATTESTATION STATEMENT

As the party responsible for design control of the Philips Consumer Communications 900 MHz Cordless Telephone Model Crush 8500 product line, I certify that all manufactured units will conform to the sample tested, and that the emissions data in test report should be typical of what can be expected from all manufactured units. Furthermore, I understand that any subsequent design changes to the product may invalidate the data in this report, and require re-verification of compliance with the rules set forth in 47 CFR § 15.
