Dear Sir or Madame,

In accordance with 0.459 of CFR 47, WhereNet Corp. hereby requests confidentiality of all (Block Diagrams, Circuit Diagrams, Parts List, Operational Description) attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which WhereNet Corp. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, WhereNet Corp. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles A. Derrow".
