Request for Confidentiality

Model No.: WTK-5000

To whom it may concern:

WhereNet hereby requests confidentiality of all Block Diagrams, Circuit Description, Circuit Diagrams, Parts List, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which WhereNet considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, WhereNet considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles A. Derrow".
