SUBJECT: MCPB-850-200 Multi-carrier Power Amplifier
REF: FCC ID# NT3MCPB-850-200

Dear Sir / Madam,

Please be advised that the subject amplifier, CCI Model # MCPB-850-200, does not require any tuning or adjustment because it is a fixed gain unit. Consequently, there is no tune up procedure required.

Thank you for your kind attention to this matter.

Sincerely,

Dennis Nathan
President
