RE: CONFIDENTIALITY REQUEST FOR 'Mach Voice Link Bluetooth Subsystem (BT2)'
model **ULF**, FCC-ID: **NT8-14B4093KAFSW2** and
model **MULF**, FCC-ID: **NT8-14B4094KAFSW2**

To Whom It May Concern:

As formally appointed representative for the company Visteon and in line with the confidentiality request from Visteon for the previous version of the 'Mach Voice Link Bluetooth Subsystem' (see electronic document ***H_ffc_confidentiality_request.pdf***),

this letter serves as an official request for confidentiality under the FCC Rule Section 0.459. We have requested that the schematic diagrams, parts list and block diagram, required to be submitted with this application, be withheld from public review. The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business.

Do not hesitate to contact me if you have any additional questions.

Best Regards,
